“Dear Journal...”

Your journal may include some or all of the following cues:

Dear Journal,

Today is (day, month and year). I am currently in _____,
having just traveled from.....(include how you traveled and why you
were traveling)

The journey was...(what were some of the challenges?)

Moving from community to community here in the Yukon always
seems.....

I've heard from others that their experience in getting around is.....

They may soon be building a new highway. If they do, it will be quite a
challenge because.....

I will write again soon.
